

Cardinal Glennon Volunteer Notes

July 2026

The first reminder is it is **Annual In Service** time! For all who have been volunteering for more than six months – the email and link will come in mid -July. This is an annual requirement.

One of the questions on the Annual Review Quiz and an important safety reminder is to call **4444** from any hospital phone for any emergency. This will take you directly to an in-hospital operator who will get the best team to respond quickly.

Another phone related question is having the correct phone number to call if you are not able to make your shift within 24 hours of it (after 3p on Fridays for weekends). Please make sure you ask in your area for this number if you are not sure AND put the number in your phone. You can also email me, but I am not always able to get the message to your team/area/department before your shift begins.

A reminder for all around HIPAA, confidentiality, and privacy. Sharing information - or asking questions - about a patient that is not required for your role, that day, is not ok. It is hard not to get to know - but it is the law as well as a right for every patient. This includes sharing information with others outside of the hospital, fellow volunteers and even staff that do not need to know to do their job. Several fellow hospitals use the motto, **Hear it Here, it stays Here** as a reminder. Any questions, please ask!

Updated information about the new hospital including the new Mother Baby Services AND the new outpatient building are posted in the Volunteer office!
