

## Cardinal Glennon Volunteer News

### Happy April – and Volunteer Appreciation Month!

Just a few things to share:

\*If you forget your badge, you will have to come in through the front, main entrance and your belongings will be checked like all visitors coming in.

\*Please take a minute to check the white board in your volunteer space for phone numbers that are helpful. Security oversees shuttles so you can call them directly if any issues. Every volunteer should also have the number of who to call if canceling last minute, please ask in your area if you do not have this.

\*If you are anticipating changing your volunteer schedule in the next weeks, PLEASE let me know. Now is the time of year when I receive **MANY, MANY** more requests for Summer and new volunteers than we have spots for so if you are planning a change, we appreciate the notice! This also ensures coverage to continue to support our teams and patients!

\*We have several new volunteer opportunities including a 3South Nursing Assistant role (currently M and W mornings available), Surgery Waiting Room volunteer (currently T and TH mornings available) and the Ronald McDonald Family Room has a few weekly and every-other week shifts open. If you are interested in learning more, please reach out.

\*Happy Volunteer Appreciation Month! We are grateful all year round for you but we will celebrate you even more the week of April 19<sup>th</sup>!

\*Our Glennon Executive Team designated 5 sets of tickets for **Glennon Live** to volunteers this year! Winners are Julie Poelker, Riley Forinash, Connor Gusky, Anita Higginbotham and Marcia Riganti. Congratulations!

The Glennon Golf Classic is a great day of golf and fun to support the Music Therapy Program at SSM Health Cardinal Glennon Children's Hospital. The Music Therapy program has such a

-Glennon Gallop: Saturday, September 12, 2026, August Busch Polo Fields - Please note that we will need help on Thursday 9/10 and Friday 9/11 for event set up, and Monday 9/14 for event tear down.

The Glennon Gallop is a one-of-a-kind fundraiser that includes polo, fine dining and a live auction, shopping and tailgating. The event benefits The Danis Pediatric Center, which is a vital resource for the St. Louis region, providing pediatric care for all children, regardless of their ability to pay. Come spend a day outdoors helping us host a fantastic party to benefit the kids!
