

### **Mercy Flu Vaccination Information:**

I wanted to send a reminder out about flu shots as the deadline is almost a month away, November 1<sup>st</sup>. All details about where to get it at Mercy and details about documentation needed from outside Mercy are below or attached to this email.

**Thank you** to all of you who have gone to get your flu shots or already turned in your paperwork from outside sources showing proof of getting your flu shots. We appreciate you being quick to do this. High-five!!

If you haven't gotten your flu shot, it is okay as you still have plenty of time. The Co-Worker Health office is taking walk-ins during their regular business hours Monday-Friday 8am-4pm. Below is the schedule of when they are giving them in a few other areas throughout the hospital. We also have these dates posted in the office.

- Friday, Sept. 30: 4 p.m. - 8 p.m.; 7th Floor, Old PICU
- Monday, Oct. 3: 9 a.m. - 11 a.m.; Heart Hospital

- Monday, Oct. 17: 7:45 a.m. - 4 p.m.; Von Gontard Center

I will be out on PTO starting tomorrow and will return on Monday October 10<sup>th</sup>. Should you need anything while I am out Lori is here as well as Laura.

We also have a new team member, Dr. John Bruno! He has taken over for Cole Sibley as Supervisor of the Supported Volunteer Program, so stop in and give him a warm welcome! I would say you could also ask him for help, but he is still getting his sea legs. However, he is eager to help out when needed. Ron Bone returns tomorrow after a few days off and Angela is also around to help when needed!

Thank you for all you do for Mercy, our patients, and our co-workers!
