

CGCH Volunteer

February 2023 news and updates:

Volgistics automatic updates – the log in touch screen looks slightly different. But it operates the exact same.

Your CGCH Volunteer badge is now required to get in the Volunteer office – please check that your badge grants access even if you come in with someone else. If it does not work, it requires a request to Security. We will assume that all badges work by the end of the month if we have not heard from you! If it does not work, please make sure you have let me know – you can email me if I am not in my office and **include the last five numbers on your badge (printed on the badge, not log in).**

Dress code reminders – your CGCH volunteer badge, CGCH t-shirt and/or vest should be worn each shift. **NO** jeans.

Please let us know as soon as you can when you cannot make your shift. We have a great list of those willing to fill-in, but only if we can give them notice!

When you **log in**, you will also see a reminder screen about hand hygiene. This is a focus hospital wide for the next month. Please make sure you read and practice!

Happy February Birthdays!
