

## **COVID Protocols**

### **Cardinal Glennon:**

- If exposed to someone with COVID (household, unmasked interaction, etc.):
  - Stay home from volunteering for 5 days and a negative test OR do not come in to volunteer for ten days.
- If you test positive for COVID:
  - Please stay home for ten full days from day of confirmed diagnosis.

### **Mercy:**

- If exposed to someone with COVID (household, unmasked interaction, etc.):
  - You will not be able to volunteer for 14 days after the exposure date.
  - Exposure is defined as being within 6 feet, unmasked, for 15 minutes or greater over a 24-hour period with someone who has tested positive
- If you test positive for COVID:
  - You will not be able to volunteer for 14 days after the positive test result.

### **SLCH:**

- If exposed to someone with COVID (household, unmasked interaction, etc.):
  - You will not be able to volunteer for 14 days after the exposure date.
  - Exposure is defined as being within 6 feet, unmasked, for 15 minutes or greater over a 24-hour period with someone who has tested positive
- If you test positive for COVID:
  - You will not be able to volunteer for 14 days after the positive test result.
