- Provide your name and phone number/room number on the white board if we need to contact you
- Complimentary laundry detergent and dryer sheets are available
- **Washers** – Leave the Washer doors open at the end of each cycle
- Laundry pods go into the main drum of the washer with the clothes
- **Dryers** – Clean the lint out of the Dryer vents after each cycle
- RMHC is not responsible for lost, stolen, or damaged personal belongings
- Laundry needs to be completed prior to the room closing. Wash/Dry cycle takes about 2 hours; therefore, laundry must be started no later than 2 hours prior to closing.

If you are not back for your laundry within 15 minutes of the end of the wash or dry cycle, RMFR volunteers have permission to remove your items if there is another family waiting to use the washer/dryer.
