

## Cardinal Glennon Volunteers May 2025

### Reminders.Notes.Updates

- If you did not pick up an appreciation gift in the Volunteer Office last week, please do so in the next week and thank you!
- As we move into warmer weather, dress code reminders. No shorts OR jeans. Tops should have sleeves and your volunteer t shirt and/or volunteer vest and - even in Summer - closed toe shoes please!
- Please make sure you have the phone number/contact info for a day of change in schedule. I am not always able to relay the message. This is something every volunteer should have, and it varies by department.
- We will have the Annual Volunteer In Service (completed on your own, on-line) coming this Summer! Hint – you will need the above info for the Quiz!
- Update on the new hospital attached to this email as well.
