

## Happy April – and Volunteer Appreciation Month!

Just a few things to share:

\*Update within the handwashing policy – gel and dip nail polish are now allowed. NO change in the hand washing procedure – 20 seconds with soap and water or hand sanitizer - rubbing til hands are dry!

\*If you are anticipating changing your volunteer schedule in the next weeks, PLEASE let me know. Now is the time of year when I receive MANY, MANY more requests for Summer and new volunteers than we have spots for so if you are planning a change, we appreciate the notice! This also ensures coverage to continue to support our teams and patients!

\*Warner’s Corner (3<sup>rd</sup> Floor) is re-opening! Evening hours set to begin next week!

\*Ronald McDonald Family Room has a few weekly and bi-weekly shifts open. If you are interested in learning more and adding a shift if this area, let me know and I will put you in touch with the coordinator of the room.

*“Everybody can be great. Because anybody can serve. You don’t have to have a college degree to serve. You don’t have to make your subject and your verb agree to serve. You don’t have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace. A soul generated by love.”*

– Martin Luther King, Jr.

**Thank you for all you do for our patients, families, and teams. We are blessed to have 230+ volunteers and grateful that you choose Cardinal Glennon to share your time and talents! We will be celebrating you the week of April 22<sup>nd</sup> so make sure to stop in the Volunteer Office even if you usually clock in elsewhere!**
